

THE KENTUCKY DERBY®

\$5,000,000 GUARANTEED MINIMUM GROSS (GRADE I) • To Be Run Saturday May 3, 2025 • One Mile and a Quarter

The administration of Furosemide (Lasix) will NOT be permitted within 48 hours of post-time. The Kentucky Derby will be conducted in accordance with any and all of CDRT's rights, regulations, and house rules as well, as to the extent applicable, under the Horse Racing Integrity and Safety Authority's Anti-Doping and Medication Control rules and regulations in conjunction with Kentucky Horse Racing and Gaming Corporation. For three-year-olds, with an entry fee of \$25,000 each and a starting fee of \$25,000 each. A minimum \$500 jockey mount fee will apply to starters that finish beyond third place. Supplemental nominations may be made upon payment of \$200,000 to all three races and in accordance with the rules set forth herein or \$50,000 supplement for the Kentucky Derby Only (all supplements are required to pay entry and starting fee). CDRT shall guarantee a minimum gross purse of \$5,000,000 (the "Guaranteed Purse"). The winner shall receive \$3,100,000, second place shall receive \$1,000,000, third place shall receive \$500,000, fourth place shall receive \$250,000 and fifth place shall receive \$150,000 from the Guaranteed Purse (the Guaranteed Purse to each place to be divided equally in the event of a dead heat). Starters shall be named through the entry box on the designated date and time published in the Condition Book (the "Closing"). CDRT, in its sole and absolute discretion, may set the number of starters up to a maximum of twenty (20) and the number of horses that are also-eligible to start up to a maximum of four (4). Colts and Geldings shall each carry a weight of one hundred twenty-six (126) pounds; Fillies shall each carry one hundred twenty-one (121) pounds. Supplemental Nominees may enter and will be treated equal to any Original Nominee without preference of one over the other. If the number of nominees exceeds the number of available starting positions and also-eligible positions set by CDRT (the "Number of Starting and AE Positions") at the Closing, these conditions shall be applied to determine which nominees will be allowed to start and which nominees will be designated as also-eligible to start. In the event that more than the Number of Starting and AE Positions pass through the entry box at the Closing, the starters and also-eligible horses shall be determined at the Closing from Original Nominees and Supplemental Nominees if starting and/or also-eligible positions are still available, with preference given to those horses that have accumulated the most points pursuant to the Road to the Kentucky Derby Point System. For purposes of this preference, the Road to the Kentucky Derby Point System shall mean the point values assigned to the first five finishing positions in each race comprising the Road to the Kentucky Derby as published by CDRT. Points in the Road to the Kentucky Derby races will only be awarded to horses who: 1) compete without administration of Furosemide (Lasix) within 48 hours of such Road to the Kentucky Derby race; 2) are in compliance with these conditions; and 3) are not trained by any individual who is suspended from racing in the 2025 Kentucky Derby or any trainer directly or indirectly employed, supervised, or advised by a suspended trainer (each considered a "Suspended Trainer"). Should a horse trained by a Suspended Trainer finish in a position that would have earned points in a Road to the Kentucky Derby race, the points associated with that finish will be vacated. Horses under the care of any Suspended Trainer may be transferred to a non-Suspended Trainer and become eligible for earning points in a Road to the Kentucky Derby race on a forward-looking basis so long as the transfer is complete by January 27, 2025. Additionally, if a regulatory body notifies the connections of any horse nominated for the Triple Crown or Kentucky Derby that earned points in a Road to the Kentucky Derby race of a positive drug test or other medication violation that could result in disqualification from the Road to the Kentucky Derby race, any points from that race will be revoked until and unless it is determined that no violation occurred through a final regulatory or judicial determination prior to the running of the Kentucky Derby. Connections of any horse nominated for the Triple Crown or Kentucky Derby must promptly notify CDRT upon learning of any positive drug test or medication violation whether the violation occurred (i) in a Road to the Kentucky Derby race or not, or (ii) prior to or following submission of this nomination form. Failure to provide prompt notification shall result in revocation of points or eligibility for the Kentucky Derby. Notwithstanding the foregoing, CDRT may, in its sole discretion, allocate one or more starting and/or also-eligible positions or otherwise give preference to winners of a designated race or races provided, however, that any such designated race or races may not include restrictive provisions relative to which a horse may enter such race or races, other than by sex or age. In the event of any ties resulting from the Road to the Kentucky Derby Point System or should additional horses be needed to bring the field to the Number of Starting and AE Positions, the remaining starters and also-eligible horses shall be determined at the Closing with preference given to those horses that have accumulated the highest earnings in non-restricted sweepstakes. For purposes of this preference, a "non-restricted sweepstakes" shall mean those sweepstakes whose conditions contain no restrictions other than that of age or sex. In the case of remaining ties resulting from preferences or otherwise, the additional starter(s) and/or also-eligible horses shall be determined by

lifetime earnings. In the case of remaining ties resulting from preferences or otherwise, the additional starter(s) and/or also-eligible horses shall be determined by lot. Furthermore, pursuant to rules published by CDRT, including, but not limited to nomination fee requirements, two invitations to compete in the Kentucky Derby will be extended, with preference given to the top five-point earning horses in the "Euro/Mideast Road to the Kentucky Derby" series. If a "Euro/Mideast Road to the Kentucky Derby" top five-point earning horse qualifies through America's "Road to the Kentucky Derby" series this invitation may be extended to the next eligible Euro/Mideast Road to the Kentucky Derby" top five-point earning horse. If a horse in the "Euro/Mideast Road to the Kentucky Derby" leaderboard qualifies through another "Road to the Derby" series that horse may be removed from the "Euro/Mideast Road to the Kentucky Derby" leaderboard. Provided no Euro/Mideast Road to the Kentucky Derby" top five-point earning horse accepts the invitation, CDRT reserves the right to offer one invitation to a horse from Europe/Mideast whose performance in Group races in Europe /Mideast has been exceptional, in CDRT's sole discretion. In the event of any ties resulting from the "Euro/Mideast Road to the Kentucky Derby" Point System, preference will be given to the starter that has accumulated the highest earnings in non-restricted sweepstakes as of April 12, 2025. In the case of remaining ties with non-restricted sweepstakes, preference will be given to the starter that has accumulated the highest lifetime earnings as of April 12, 2025. In the case of remaining ties with non-restricted sweepstakes and lifetime earnings, the starter shall be determined by lot. Furthermore, pursuant to rules published by CDRT, including, but not limited to nomination fee requirements, one invitation to compete in the Kentucky Derby will be extended to a horse from Japan selected from the horses earning the most points in the "Japan Road to the Kentucky Derby" series. If a horse in the "Japan Road to the Kentucky Derby" leaderboard qualifies through another "Road to the Derby" series, that horse may be removed from the "Japan Road to the Kentucky Derby" leaderboard and this invitation may be extended to the next eligible horse on the "Japan Road to the Kentucky Derby" leaderboard. If the connections of the top four (4) horses on the "Japan Road to the Kentucky Derby" leaderboard do not accept the invitation or nominate such horse(s) to become eligible to compete, CDRT reserves the right to offer one invitation to a Japanese trained or registered horse whose performance in Group races has been exceptional, at CDRT's sole discretion. In the event of any ties resulting from the "Japan Road to the Kentucky Derby" Point System, preference will be given to the starter that has accumulated the highest lifetime earnings as of April 12, 2025. In the case of remaining ties with lifetime earnings, the starter shall be determined by lot. Complete rules related to "Japan Road to the Kentucky Derby" are available on KentuckyDerby.com. Any horse excluded from running because of the aforementioned preference(s) shall be refunded the \$25,000 entry fee, or any supplemental fee, if applicable. After the Closing, CDRT shall designate in order of preference the nominees that are also-eligible to start in accordance with these conditions ("Also Eligible Horses"). If a starter is scratched from the Kentucky Derby before 9:00 a.m. (Eastern Daylight Time) on Friday, May 2, 2025 ("Scratch Deadline"), then the Also Eligible Horse with the highest preference (if any) as determined by these conditions shall become a starter. **All starters and Also Eligible Horses must be stabled at Churchill Downs Race Track by 11:00 a.m. Eastern Daylight Time on Saturday, April 26, 2025.** Post positions shall be determined by a nontransferable lot number being drawn for each horse named as a starter at the Closing. The lot number drawn for each starter shall determine the post position of such starter. Notwithstanding the foregoing, CDRT may elect to use an alternate method of determining post positions, provided such method has been approved by the Kentucky Horse Racing and Gaming Corporation. Horses having common ties through ownership or training shall each be treated separately for purposes of determining post position. In the event of one or more scratches after the determination of post positions and prior to the Scratch Deadline, then (i) starters with post positions higher than the post position of the scratched starter will be moved to the next lowest empty post position (i.e., toward the inside rail of the race track) and (ii) the Also Eligible Horse that becomes a starter (if any) will receive the lowest post position available after the post positions of the other starters have been moved as provided above. In the event one or more scratches occur after the Scratch Deadline, no Also Eligible Horses will be permitted to start and the post positions shall be moved, without changing the order of the starters, as determined by the stewards and CDRT to be in the best interests of the safety of the race participants. Post positions shall be moved for each scratch that occurs so that there are no empty post positions in-between horses at the start of the Kentucky Derby. Detailed rules governing the post-position draw process are available from CDRT's Racing Secretary's office and will be distributed prior to the Closing. These rules shall control. The owner of the winner of the Race shall receive a gold trophy and trophies will be presented to the winning breeder, trainer and jockey.

2. Release and Indemnification.

In consideration of the Applicant's admission to each Association's facility, the Applicant hereby releases the Association from all claims for loss or damage of, or injury to, or death of any persons or property (including horses as well as loss of use of property) sustained by the Applicant and/or its invitees and/or the property owned or under the control of the Applicant located at the Association's facilities. The Applicant recognizes the risks of its activities to be undertaken at the Association's facilities and it has inspected and is familiar with each Association's facilities and does voluntarily and fully assume all risk of loss, injury, damage, death or destruction to any person or property. This release and assumption of risk provision shall not be effective as to any cause of loss attributable to any intentional, willful, grossly negligent, or reckless conduct of the Association (including horses as well as loss of use of property) sustained by the Applicant and/or its invitees and/or the property owned or under the control of the Applicant located at the Association's facilities.

In further consideration of the Applicant's admission to each Association's facility, the Applicant hereby agrees to indemnify and hold harmless the Association, and shall compensate and reimburse the Association for, any and all losses, damages, judgments, penalties, costs and expenses (including reasonable attorneys' fees, costs and other out-of-pocket expenses incurred in investigating, preparing or defending the foregoing) (collectively, "Losses") asserted against, incurred, sustained or suffered by the Association as a result of (i) any breach of any representation, warranty, covenant or agreement of Applicant

set forth herein or (ii) incurred in connection with Applicant's preparation for, or participation in, any of the Association's activities. This indemnification provision shall not be effective as to any cause of loss attributable to any intentional, willful, grossly negligent, or reckless conduct of the Association (including horses as well as loss of use of property) sustained by the Applicant and/or its invitees and/or the property owned or under the control of the Applicant located at the Association's facilities.

Except as provided above, all licensees participating in racing, training, and related activities at Churchill Downs shall be responsible for their own acts and omissions and those of their agents and employees to the same extent as provided by law.

The foregoing release and indemnification provisions shall be construed in a manner consistent with the limitations set forth herein to be as broad and inclusive as permitted by and in a manner consistent with the laws and regulations of the Association's jurisdiction and shall be binding upon the Applicant, its successors and/or assignees. The maintenance by the Association of insurance relating to the claims released and/or indemnified hereby shall not affect the terms or interpretation of this Agreement and the Applicant agrees that any and all insurers of the Applicant, whether insurers of property, personal injury or any other loss, if their insurance policies do not already so provide, agree that they waive and will not exercise any rights of subrogation in the event of loss of or damage to the subject property, as well as the loss of use thereof, except that any waiver of subrogation will not be effective where such waiver will result in such liability policy becoming null and void. For purposes of this Agreement, the Association shall mean and include the Association and its owners, officers, directors, trustees, agents, employees, contractors, servants and licensees.

Responsibility for the maintenance of general liability and horse mortality insurance to cover the risks outlined above rests with the Applicant. Consultation with a competent insurance advisor is strongly recommended. Failure to maintain adequate insurance may subject the Applicant to the risks outlined above.

3. Reservation of Rights.

As the organizer, host and sponsor of Thoroughbred horse races, each Association hereby reserves unto itself, its agents, assigns and licensees and the Applicant hereby assigns to the Association all interest it may have in the Host Rights, as herein defined. The Host Rights shall mean the sole and exclusive right to: (a) produce, exhibit, sell, license, transfer, transmit or otherwise exploit in any manner, in whole or in part, still or motion pictures, radio and television broadcasts, interactive computer including Internet, mobile phones or any other media transmission, now known or hereafter developed and via any device, including all forms of television, home video, DVD

or other electronic sell through, downloadable, theatric and non-theatric rights, in-flight, ship-at-sea, social media, distribution to all forms of mobile and immobile devices and whether scheduled or on demand and in whatever format (whether linear, over-the-top, interactive, virtual reality, hologram, free to air, pay or otherwise) of all events which occur on the Association's property, including without limitation, all activities occurring before, during and after Thoroughbred horse races; (b) utilize the race and the results thereof, all for any purpose or use as the Association shall determine; (c) limit, prohibit or regulate the display of any commercial advertising symbols, or other identification, other than an Applicant's registered silks, in connection with any race or related activities; and (d) develop, produce and sell, by or through any licensee, goods using the Applicant's name or likeness, the name or likeness of any horse owned by the Applicant brought onto the Association's grounds, or any other identifying feature, silks, trademark or copyrighted material which is used in connection with the race. The submission of a nomination or making of an entry in any race (regardless of the method by which such nomination or entry is made by Applicant or accepted by the Association) shall mean that the Applicant consents to the above reservation of the Host Rights and consents to be photographed or to otherwise be a subject of any exploitation of the Host Rights, without remuneration except for contributions to horsemen's purses from wagering on the races as established by contract or legislation. The Applicant agrees that he has not and will not execute any documents or take any other action, which purports to assign or otherwise transfer any interest in the Host Rights or assert any claim, demand or cause of action against the Association which is inconsistent with the full and exclusive exercise by the Association of its Host Rights.

4. Definition of Applicant.

As used herein, "Applicant" shall mean and include the nominating owner(s) and the owner's agents, trainers and jockeys and their agents, heirs, representatives, successors, next of kin and assigns; provided, however, that the rights and benefits of the Applicant under this Agreement are personal and no such right or benefit shall be subject to voluntary or involuntary alienation, assignment or transfer.
